specific kind.

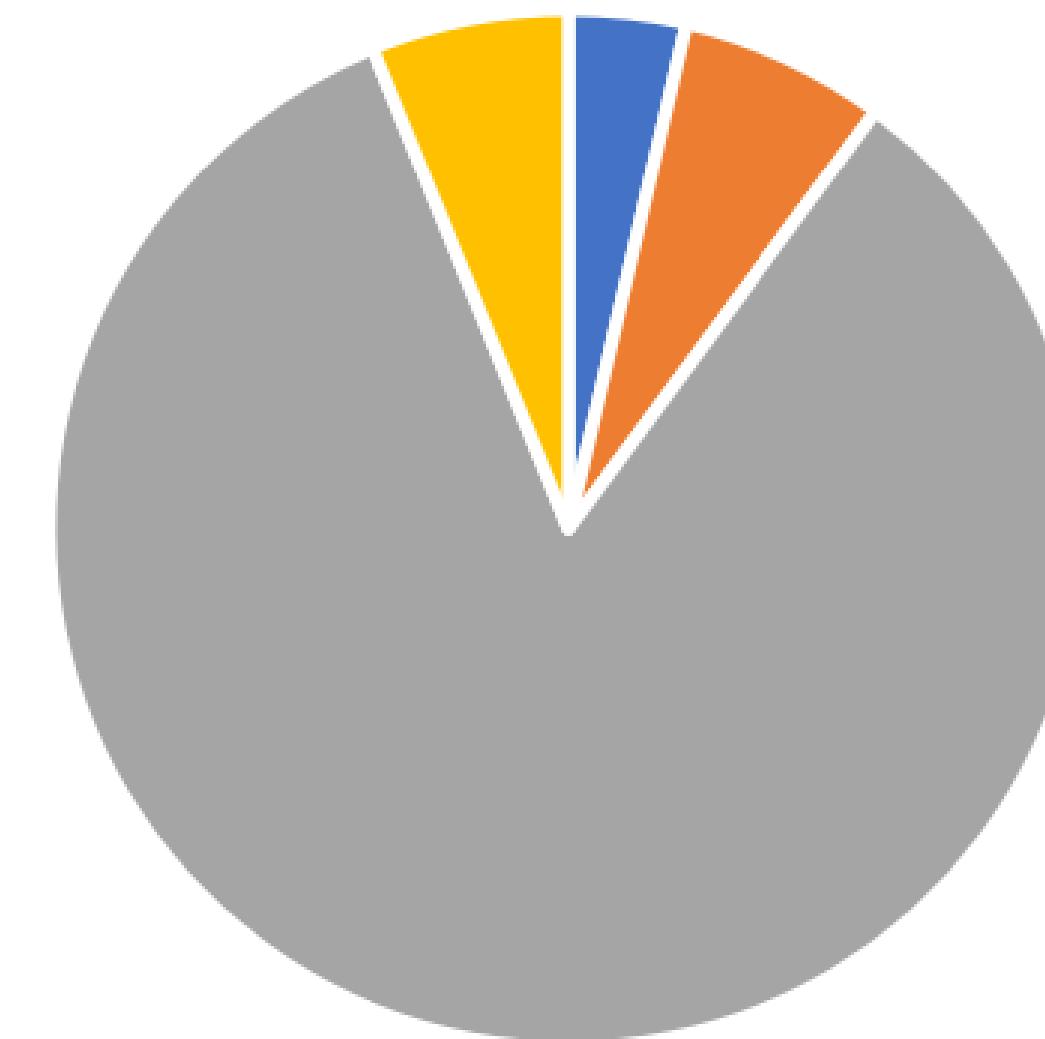

Against property

Statistics of Reported and Arrested in Bangkok 2006-2015

Statistics of Reported and Arrested in Bangkok 2006-2015

■ Murder ■ Attempted to murder ■ Assault ■ Rape

Effect

Effect list

- 1 . We going to lose our citizens to homicide although there has been a decreasing trend. It should not happen by the way
2. Concerning the citizen's life, We should decrease the crime rate in Thailand, because crimes make the population stressed and live in fear.
3. The crime rate in the city make residential rents decreased.
